

Working with the United States

Target audience

Professionals who work with the United States

Prerequisite

No prerequisite

Objectives

Significantly increase participants' effectiveness in their professional relations with people from the United States

At the end of the training, they will have keys to:

- Adopt an intercultural approach
- Understand the context and culture of the United States
- Decipher cultural codes and analyze situations of incomprehension
- Adapt their communication and working methods
- Decode decision-making and negotiation processes

Added value

- Conducted by an expert consultant specialized on the United States
- Decryption of the Nomad' Profile
- Alternating theory and practical exercises
- Access to Digital Learning for one year
- Sharing of best practices and individual action plan

Accessibility

All our training courses are accessible to people with disabilities. Each training project will be the subject of a case study by our teams, in order to adapt the training program.
