

Working with Hong Kong

Target audience

Company managers and staff working and dealing with the Hong Kong Chinese.

Prerequisite

No prerequisite

Objectives

The aim of this seminar is to significantly improve the participants' effectiveness in their professional relationships with the Hong Kong Chinese, enabling them to be operational right from the start. At the end of this training, participants will have acquired the necessary skills to:

- Be aware of their own cultural baggage
- Fully understand the context and the culture of Hong Kong
- Analyze possible situations in which misunderstandings may arise and identify ways of communicating
- Reduce stress and misunderstandings
- Decipher and understand decision-making and negotiation processes of the Hong Kong Chinese

Added value

- Conducted by an intercultural expert consultant
- Decoding the Nomad' Profiler
- Alternating theory and practical exercises
- Access to Digital Learning for 1 year
- Sharing best practices and personalized action plan

Accessibility

All our training courses are accessible to people with disabilities. Each training project will be the subject of a case study by our teams, in order to adapt the training program.
