

Design and implement a diversity project

Target audience

HR Managers and Diversity & Inclusion Officers

Prerequisite

No prerequisite

Objectives

At the end of the training session, participants will have the tools to:

- Understand the challenges of diversity in companies and how diversity management is an important strategic axis
- Better understand diversity management in France and the legal obligations
- Have an overview of the best practices of companies in France and abroad
- Manage a diversity project in France and deploy it internationally
- Understand the notion of inclusion and its impact on professional interactions

Added value

- Conducted by a DEI consultant
- Alternating theory and practical exercises
- Sharing of best practices and a personalized action plan
- Interactive lesson

Accessibility

All our training courses are accessible to people with disabilities. Each training project will be the subject of a case study by our teams, in order to adapt the training program.
